6. A statistical compilation and analysis was prepared on the basis of 14 returns, all OTR instructors, who completed a proposed "Returnee Operational Survey Form." The purpose of the form is to validate ops training doctrine, identify officers who have had unique and recent training experience, and to obtain a feedback which might be of value in identifying ops training gaps and deficiencies. Based on the results of the initial survey, it is planned to make revisions in the form and to test the usefulness of this approach as a feedback mechanism by obtaining a larger sampling of officers who have had recent field experience.
